

Book Club Guide

W o r k s h e e t s

If your book club is looking for an inspiring read, one that appeals to introverts but also helps educate extroverts and sparks some interesting discussions along the way, *The Corporate Introvert* is for you.

I would suggest breaking down the reading and discussion by section, using the chapter Actions and Worksheets to prompt thought before your club meeting and sharing during the discussion.

You may find supplemental information and quizzes on the website, BeyondIntroversion.com.

Finally, I'd love to join you during one of your sessions or after you complete discussions to answer questions, share experiences, and discuss how the book was written and published. You can contact me at BeyondIntroversion@gmail.com.
